

OPEN HOUSE

February 6, 2018

6 p.m.

5701 Airport Rd.

Temple, Texas

The Middle College program, located at the Texas Bioscience Institute (TBI) on the Baylor Scott & White West Campus in Temple, provides high school students the opportunity to earn up to 60 college credit hours in a STEM (Science, Technology, Engineering, and Math) focused, foundational curriculum.

TBI students enjoy the following benefits:

- Accessible, affordable higher education with guidance and support from trained Temple College staff
- Opportunity to graduate with an Associate of Arts degree from Temple College with college credits that will transfer to many universities
